

Maintenance & Protection Plans for Businesses

Protect your business from unexpected breakdowns and unplanned expenses.

If your equipment breaks down, repairs and downtime can cost you thousands of dollars – not to mention lost customers, angry tenants and frustrated operators and personnel. The **Reliance™** Maintenance & Protection Plans (for business and tenants) cover you for a wide range of repairs and services.

No pre-inspection • Each plan offers you live telephone support 24/7/365

Heating & Cooling^{††} Annual Maintenance Plans

- ✓ Annual maintenance helps keep your heating and cooling equipment running efficiently and could prolong its life
- ✓ A yearly tune-up by one of our licensed Technical Experts reduces dust build-up and helps catch any potential problems before they happen
- ✓ Check that equipment is venting properly
